

A SIMPLE & RELIABLE WAY
OF CLEANING

A GENERAL PURPOSE VACUUM FOR EVERYDAY USE

The Nilfisk VP300 is a basic, well-built, thoroughly reliable machine that can be relied upon to do the job day in day out. It is ideal for cleaning offices, hotel rooms, retail outlets and similar light to medium duty applications.

As with all Nilfisk machines, the design is outstanding with careful attention given to ergonomics and environmental friendliness. The VP300 Eco offers 25% reduced power consumption via a 900w fan unit yet still providing an excellent cleaning performance.

The Nilfisk VP300 HEPA is the latest member of the series offering true HEPA filtration with a certified HEPA filter. Using this true HEPA filter helps maintain a higher quality of air within the cleaning environment.

As part of Nilfisk's continuous work to support environmental protection, the VP300 Series of vacuum cleaners uses completely recyclable components.

Easy to use and durable in design, the VP300 Series offers:

- Best in class filling capacity, which means less time spent changing dust bags
- Weighs just 5.2 kg and making it easy to move from place to place
- Low sound pressure level of just 50 dB(A), it makes this vacuum suitable for daytime cleaning
- Secure accessory and power cord storage and rear mounted tool parking

ENSURING
AN EFFECTIVE
CLEANING
EXPERIENCE
EVERYTIME

Detachable orange cord (VP300 HEPA)

Higher filtration level with HEPA filter (VP300 HEPA)
